DETAILED ACTION

Response to Amendment

1. Applicant's amendments, filed 8/20/2008, have been fully considered and entered by the examiner because they place the case in immediate condition for allowance. Specifically, the examiner notes that the applicant has cancelled all rejected claims after the final office action, therefore only allowable claims 11, 19 and 20 remain pending in the instant application.

Allowable Subject Matter

2. Claims 11, 19, and 20 are allowed.
3. The following is an examiner's statement of reasons for allowance: None of the prior art cited or reviewed by the examiner reasonably teaches or makes obvious using the disclosed silicon compound to form the silicon nitride layer as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
